Name of Activity

Chinese Cultural Exhibition

Objective(s)

- Deepen parents' and young children's understanding of Chinese cultural and customs
- To understand the techniques of creation, such as kneading the soft clay, tie-dyeing, and finger painting
- Display children's works through exhibitions to enhance their confidence in creation.

Brief Descriptions:

The school held a "Chinese Culture Fortnight" during the August summer activities. Each class of children explored the themes of "Food Culture", "Art Culture", and "Traditional Games". Finally, they shared their learning outcomes with parents through the Chinese Cultural Exhibition.
