

# Kindergarten Education Scheme

## School-based Learning Activity of Chinese Culture

### Display Form

Pentecostal Church of Hong Kong Tai Wo Nursery School

Name of School

2023-2024

School Year

Whole school

Grade Level

### Name of Activity

Shadow puppet show

### Objective(s)

- Preliminary understanding of shadow puppetry, such as: production materials
- Can easily manipulate the shadow puppets
- Appreciate traditional Chinese art

### Brief Descriptions:

In line with the K2 science theme, the school invited a Chinese shadow puppet theatre to perform shadow puppet shows for all the children. Through repertoires such as 'Rat Stealing Eggs' and 'Wu Song Fights Tigers,' along with performers introductions and interactive sessions, the children learned about the materials used in production and the manipulation of shadow puppets. This experience also highlighted that shadow puppetry is a traditional Chinese folk art, thereby enhancing national pride.

### Record of Activity (E.g. Children's Work / Photos / Videos of the activity)
